EXHIBITOR SPOTLIGHT: JEFFREY CAMPBELL FOOTWEAR

Jeffrey Campbell Footwear has been a regular exhibitor at TRANSIT since its debut in 2000. The exciting, fashion-forward brand was launched when, after fifteen years in the shoe business, Jeffrey Campbell decided it was time to introduce the unique and directional collection he envisioned. Consistently fresh and creative, Jeffrey ensures his designs are also comfortable and saleable. See the Jeffrey Campbell collection only at TRANSIT.

TRENDSPOTTING AT TRANSIT

Highlights from Jeffrey Campbell's new designs illustrate his flair for placing a distinctive spin on styles that span several fashion decades. Platform heels, rivets, studs, and supple suedes in vintage color blocks compose a collection that is artful, fun, and edgy.

MIND | The vintage-style loafer gets a sexy revival in this caramel-colored, platform version.

LANCE | Vintage-inspired patchwork and an earthy color palette vibrantly transforms the classic platform pump.

BURBS | Gold-toned studding and black leather straps give these platform sandals stylish, post-punk glamour.

LIBBY | This wrapped boot in warm honey suede is a contemporary nod to chic vintage styling.

TRANSIT | LA Footwear & Accessories Show showcases directional footwear labels like l.a.m.b., oh...Deer!, Report, Seychelles, Frye, and hundreds of others. Now featuring select handbag and accessories collections.

TRANSIT runs in conjunction with the LA Fashion Market at the California Market Center (CMC). Located in the Penthouse, Floor 13.
